

Dear Member,

March 2010

The annual membership subscription for Ardingly Rowing Club is March to February. The adult subscription for the coming year is £270.00.

Your subscription must be paid as soon as possible as the Club is obliged to comply with Ardingly Activity Centre requirements to commence payment of the water fees on 1st March. **The attached Ardingly Activity Centre Season Ticket form must be completed and returned with your membership subscription. Failure to complete and return this form will result in the member being denied access to the water.** Completed AAC Season Ticket forms are also required to confirm membership to the AAC and will allow members to join the SE Water parking scheme.

The subscription fee payable to Ardingly Rowing Club must be sent to the Adult membership secretary at the address on this letter. Please also supply your British Rowing membership number and current email address. **Do not make any payment directly to the Activity Centre.**

For those members who wish to make 4 monthly payments, contributions are as follows:-

	1 st March	1 st April	1 st May	1 st June
Adult Member	£67.50	£67.50	£67.50	£67.50

If you have any queries regarding membership subscription payment options, please contact David Avery, the Adult Membership Treasurer (details below).

Yours sincerely

Robert Simpson
Hon. Treasurer.
